

## ACADEMIC TRANSCRIPT

Full name of student : DAO NGOC HOA

Student ID : 20127500

- Graduated

Date of birth : September 22, 2002

Program : Bachelor of Science

Place of birth : Gia Lai

Major: Information Technology

1 / 3

### Term 1 School-year 2020-2021

| Course title                           | Credits | Class | Points | Courses                                         | Credits | Class | Points |
|----------------------------------------|---------|-------|--------|-------------------------------------------------|---------|-------|--------|
| BAA00005 Basic Economics               | 2,0     | 20CL  | 8,5    | CSC00004 Introduction to Information Technology | 4,0     | 20CL  | 7,5    |
| CSC10001 Introduction to Programming 1 | 4,0     | 20CL  | 7,0    | CSC10121 Interpersonal Skills                   | 3,0     | 20CL  | 8,5    |
| MTH00009 Discrete Mathematics          | 4,0     | 20CL  | 9,5    |                                                 |         |       |        |

Point average : 8,15

### Term 2 School-year 2020-2021

| Course title                           | Credits | Class | Points | Courses                              | Credits | Class | Points |
|----------------------------------------|---------|-------|--------|--------------------------------------|---------|-------|--------|
| BAA00030 National Defence Education    | 4,0     | 20CL  | 8,0    | BAA00101 Marxist-Leninist Philosophy | 3,0     | 20CL  | 7,5    |
| CSC10002 Introduction to Programming 2 | 4,0     | 20CL  | 8,0    | MTH00005 Calculus 1                  | 4,0     | 20CL  | 10,0   |
| PHY00005 General Physics I             | 4,0     | 20CL  | 9,0    |                                      |         |       |        |

Point average : 8,70

### Term 3 School-year 2020-2021

| Course title                                  | Credits | Class | Points | Courses                                 | Credits | Class | Points |
|-----------------------------------------------|---------|-------|--------|-----------------------------------------|---------|-------|--------|
| BAA00102 Marxist-Leninist Political Economics | 2,0     | 20CL  | 8,5    | CSC10004 Data Structures and Algorithms | 4,0     | 20CL  | 7,0    |
| CSC10009 Computer Systems                     | 2,0     | 20CL  | 6,5    | MTH00006 Calculus 2                     | 4,0     | 20CL  | 9,0    |
| MTH00008 Linear Algebra                       | 4,0     | 20CL  | 9,0    |                                         |         |       |        |

Point average : 8,13

### Term 1 School-year 2021-2022

| Course title                  | Credits | Class | Points | Courses                              | Credits | Class | Points |
|-------------------------------|---------|-------|--------|--------------------------------------|---------|-------|--------|
| BAA00003 HoChiMinh's Ideology | 2,0     | 20CL  | 8,0    | CSC10003 Object-Oriented Programming | 4,0     | 20CL  | 7,5    |
| CSC10008 Computer Networks    | 4,0     | 20CL  | 7,0    | MTH00058 Combinatorial Mathematics   | 4,0     | 20CL  | 9,5    |

Point average : 8,00

### Term 2 School-year 2021-2022

| Course title                  | Credits | Class | Points | Courses                                                  | Credits | Class | Points |
|-------------------------------|---------|-------|--------|----------------------------------------------------------|---------|-------|--------|
| BAA00103 Scientific Socialism | 2,0     | 20CL  | 8,0    | CSC10006 Introduction to Databases                       | 4,0     | 20CL  | 8,0    |
| CSC10007 Operating Systems    | 4,0     | 20CL  | 9,0    | MTH00007 Applied Statistics for Engineers and Scientists | 4,0     | 20CL  | 9,5    |

Point average : 8,71
